Arran Wignakumar		
Isaac Davies	Working on Parts UI	X
Isaac Davies	Planning own module (UML diagram)	X
Isaac Davies		

Max three rows per group member. Task status: (N) new (O) ongoing (X) no report

Other Issues and Risks

The admin UI is completed we are working on the common search UI next for the shared part.

We are integrating between our modules to fulfill requirements such as Customers module should show a list of Vehicles, we will make the Customer UI link to the Vehicle module UI.

There is still no parts/SPC module or UI.
